

# Kimley»»Horn

Expect More. Experience Better.

## CAPABILITY STATEMENT

### At Kimley-Horn, we do things differently.

People—clients and employees—are at the forefront of our business. Both groups know that with Kimley-Horn, they can expect more and experience better. Clients know they can count on Kimley-Horn—that's why almost 90% of our business comes from repeat clients. They know that our engineers, planners, and environmental scientists apply creativity and rigor to deliver outstanding results.
